Books and Publications

Distributed **6,690 TLIG books** with about **2,200 being the Messages**. Much of this success was due to a few factors, including new books being published or re-printed.

- [Gifts of the Holy Spirit](#)
- [Odes of the Holy Trinity](#)
- [Crimes Against the Unborn](#)
- [Prophecies in the True Life in God Messages for these End of Times](#)
- Reprint of [True Life in God Vol II.](#)

2022

- Books for Prisoners

- We continue our prison ministry where possible. Every region set specific initiatives to reach out to prisons this year.
- We doubled the number of prisons receiving the Messages bringing the **total to 511**.
- Many chaplains have written expressing their gratitude and requesting more books.

2022

- Distributing the “Crimes” Booklets

- Nearly all the regions took an initiative to further distribute the Crimes Booklets.
- Pregnancy Centers, Evangelists, Priests in their Churches, Media, Walk-for-Life all received books. We still have some follow up to do specifically for the pregnancy centers.
- Three people called back from the Pregnancy centers sharing how important this was. CBN thanked us for the books. The booklets were well received in the Churches. Several asked for more.

2022

- Witness Meetings

- We held **two** witness meetings; one online and one in-person.
- We'd like to hold more in 2023 now that people are meeting in person again.

2022

- Retreats and Meetings

- The **Midwest North and Northwest regions** continue to hold **regular** meetings with TLIG Readers and evangelizers.
- The other regions held at least **one** meeting or retreat to nurture our TLIG communities.
- More to be done in 2023.

2022

- Digital Evangelization

- We held 4 digital campaigns that coincided with some of the book launches: Prophecies, Russia and Crimes.
- The fourth involved Christmas.
- The campaigns were successful in that we introduced the Messages to many new people.
- We want to do more in 2023 and hopefully have an even larger impact.

2022

- Online Bookstore

- We expanded our Online Bookstore so that Canadians can now order through it.
- We want to make it even easier in 2023 by reducing shipping costs.

AATLIG MISSION

“

*“The most important thing we have to understand is
what??? THE DISTRIBUTION OF THE BOOKS
CONTAINING THE MESSAGE. This is priority to
anything else as activities regarding TLIG. It is number one and
above ALL else”*

”

- Vassula Ryden to the American Association, 2007

Mission

Spread the Messages of True Life in God in USA and Canada.

Core Target

By the year 2030, to distribute 200,000 books containing the Messages in ANY format

Evangelization Strategy

The United States and Canada are huge countries. Centralized coordination slows down progress. In order to spread the Messages more effectively, our strategy since 2006 has been to maintain six regional “chapters” in the USA or just plain old “regions” with people responsible for those regions (coordinators), thus creating much more focus and effectiveness. Canada is a single (7th) region at this time.

Areas of focus for regions:

1. Prayer group growth
2. Evangelization and Witnessing
3. Beth Myriam growth and support
4. Prison ministry
5. Hold regular retreats
6. Participate in international pilgrimages and retreats (*when possible*)
7. Regularly report on all activities

The above are aligned with Vassula’s wishes from 2006.

3-Year Picture

3-Year Date: 12/31/2025

Measurables:

- Books Given: 20,000
- Books Containing the Messages Given: 10,000
- Witness Meetings: 10

What Does it Look Like?

- Hosting yearly retreats and/or “meet and greet” in each region
- Prayer groups growing in number and participants both virtually and in person
- Regional Coordinators are building and nurturing a deeper volunteer structure
- More youth outreach programs
- More witnesses in USA and or Canada
- Each region is consistently holding evangelization activities (online or in person)
- We have a clear digital evangelization strategy, holding at least 4 campaigns per year
- HIR and TLIG books digitized, publicly available and promoted
- Shopify Bookstore is fully functional, matured, analytics in place and a streamlined fulfillment process in place
- We are leveraging a person(s) of influence or a network to help promote TLIG

2023 PLAN

CURRENT GOALS

~2023~

1. Distribute at least 7,000 **TLIG Books**
2. Hold at least 3 **Witness Meetings** (*Online or In-Person*)
3. Hold 4+ **Digital Evangelization** Campaigns to spread the messages
